At the request of the General Assembly, the Governor created the Maryland Vietnam Veterans

Memorial Commission in February 1984 (Joint Resolution no. 22, Acts of 1983). The Commission developed recommendations for a Vietnam war memorial to honor Marylanders who were killed or missing-in-action during that conflict. It continues meeting to monitor and assist in the work of erecting the memorial.

Construction of the memorial will begin in late summer of 1987 at Federal Hill Park in Baltimore. The memorial will display the names of the 1,010 State residents who died in Vietnam from 1959 to 1975. Included among these are the names of 37 Marylanders who are listed as missing-in-action.

The Commission submitted its first report to the Governor on January 2, 1987.
