The Maryland State Board of Contract Appeals was established in 1980 (Chapter 775, Acts of 1980). The Board, with expanded jurisdiction, replaced the Department of Transportation Board of Contract Appeals (Chapter 418, Acts of 1978).

The Maryland State Board of Contract Appeals is empowered to adjudicate all disputes concerning the formation of State contracts, except those for procurement of architectural and engineering services. Contract formation disputes include those concerning the qualification of bidders or offerers and the determination of the successful bidder or offerer. The Board also is empowered to adjudicate all disputes relating to a contract that has been entered into by the State, including those disputes involving the performance, breach, modification, or termination of a contract. Decisions of the Appeals Board are subject to judicial review, and any aggrieved party, including a State agency, may appeal a final decision or any part thereof. At the request of a party to a proceeding, the Board may subpoena witnesses and documents and may compel the testimony of witnesses.

The Governor appoints the Board's three members to five-year terms with the advice and consent of the Senate. Members serve in a quasi-judicial capacity and must have a thorough knowledge of procurement practices and processes. They serve full-time and receive compensation as provided for in the budget. The chairperson is designated by the Governor (Code State Finance and Procurement Article, Division II, sec. 17-202). Published opinions of the Board are available at the Board's offices, Circuit Courts, and through the Maryland Institute for Continuing Professional Education of Lawyers (MICPEL).
