The Maryland Juvenile Justice Advisory Council was established in 1984 as an independent unit within the Department of Health and Mental Hygiene (Executive Order 01.01.1984.08). In 1987, the Council came under the Juvenile Services Agency. The Council advises the Governor and appropriate State agencies on all matters pertaining to the juvenile justice system and delinquency prevention. The Council is the designated State agency to receive formula grant funds under provisions of the federal Juvenile Justice and Delinquency Prevention Act of 1974 (P.L. 93-415), as amended by the Juvenile Justice Amendments of 1980 (P.L. 96-509). The Council's responsibilities include developing an annual plan (in accordance with the federal Act), establishing grant procedures, and making grant awards. Fiscal administration of grant funds is provided by the Juvenile Services Agency.

The Council consists of from fifteen to thirty-three members appointed by the Governor. Members who do not serve by virtue of their office are appointed to four-year terms. The Governor designates the chairperson.
