The Procurement Advisory Council advises the Board of Public Works on problems with the procurement process and recommends improvements to that process. In accordance with recommendations of the Governor's Ad-Hoc Committee to Study Article 21 Procurement, and as authorized by COMAR 21.02.01.09, the Board of Public Works originally established the Council on October 13, 1983. The Council was reconstituted in 1986 to include the State Treasurer; the Chancellor of the University of Maryland System; the Secretaries of Budget and Fiscal Planning, General Services, and Transportation; and a public member. The Secretary to the Board of Public Works serves as chairperson (Code State Finance and Procurement Article, sec. 11-106).

A procurement advisor, appointed by the Board of Public Works, develops and implements procurement regulations, analyzes procurement problems and issues, staffs the Procurement Advisory Council, and advises the Board on procurement-related matters.

The Interagency Committee on School Construction was established in 1971 to supervise public school construction (Code Education Article, sec. 5-301). The State Superintendent of Schools chairs the Committee.

By December 7, each school system in the State annually submits to the Interagency Committee its capital improvement program for the following fiscal year, plus an updated continuing five-year plan. In consultation with local school board staff, the Committee either approves, defers, or modifies a school system's proposal. The Committee then
