The Walter P. Carter Community Mental Health and Retardation Center began offering community mental health services to Baltimore City residents in 1967. These services now include inpatient and outpatient care, partial hospitalization, and emergency services. The Mental Health Unit is administered by the Mental Hygiene Administration.

The Center also maintains three units at other sites that provide treatment for adults, adolescents, and children: Carruthers Clinic, Morley Street Clinic, and Cherry Hill Clinic. Psychiatric emergency service is available to area residents twenty-four hours a day, seven days a week. Consultation and education services are provided to various community agencies (Code Health—General Article, sec. 10-406).
