

The Board consists of six members appointed to five-year terms by the Governor with the advice of the Secretary of Health and Mental Hygiene. Five are licensed physical therapists; of these, at least four must be engaged primarily in the clinical practice of physical therapy. Each physical therapist member must be engaged in the profession of physical therapy in Maryland and, immediately prior to appointment, must have at least five years experience in physical therapy administration, education, practice, or research. Physical therapist members are recommended by the American Physical Therapy Association of Maryland. The sixth member is a consumer appointed with Senate advice and consent. The consumer member cannot have had training as a physical therapist or have a financial interest in a related field. Authorization for the Board continues until July 1, 1992 (Code Health Occupations Article, secs. 13-101 through 13-502).

STATE BOARD OF PODIATRIC MEDICAL EXAMINERS

President: Lawrence D. Block, D.P.M., 1989

The State Board of Podiatric Medical Examiners was created in 1916 as the State Board of Chiroprody Examiners (Chapter 173, Acts of 1916). In 1965, it became the State Board of Podiatry Examiners (Chapter 416, Acts of 1965). The Board was renamed the State Board of Podiatric Medical Examiners in 1986 (Chapter 243, Acts of 1986).

The Board examines all persons who wish to practice podiatry in the State. Examinations, which may be written, oral, or practical, are given twice yearly. Applicants must have at least two years of education in a recognized college of arts and sciences and be graduates of a college of podiatric medicine recognized by the American Podiatry Association. The Board biennially licenses podiatrists in active practice within the State. The Board may, after a hearing, revoke the license of any podiatrist charged with malpractice or unethical conduct.

The Board consists of six members appointed by the Governor with the advice of the Secretary of Health and Mental Hygiene. Five are licensed podiatrists recommended by the Maryland Podiatric Medical Association. One is a consumer appointed with Senate advice and consent. Members serve five-year terms. Authorization for the Board continues until July 1, 1992 (Code Health Occupations Article, secs. 15-101 through 15-602).
