The Maryland Housing Resource Corporation originated in 1985 as the Rental Housing Resource Corporation, a nongovernmental entity established to stimulate the construction and rehabilitation of low-income rental housing in the State (Chapter 732, Acts of 1985). The Corporation received its present name in 1987 (Chapter 309, Acts of 1987). The Corporation operates a special fund that consists of interest money earned on trust accounts held by real estate licensees or on escrow accounts held by vendors or builders of new houses, and grants, donations, and federal funds. The Corporation is exempt from State and local taxes.

The Corporation is governed by a board of directors whose members are appointed to three-year terms by the Governor. The eleven voting members of the board consist of licensees, representatives of nonprofit and low-income housing organizations, and the general public. The Secretary of Housing and Community Development (or designee) serves ex officio as a nonvoting member (Code Financial Institutions Article, secs. 13-601 through 13-614).
