Created in 1959, the Maryland Tax Court performs the judicial and quasi-judicial duties of the former State Tax Commission (Chapter 757, Acts

of 1959). The Tax Court hears appeals from the decisions of any State agency or assessing or taxing authority that affects the valuation, assessment, or classification of property, the levy of a tax, or the application for an abatement or reduction of any assessment or tax, or exemption therefrom (Code 1957, Art. 41, sec. 318; Art. 81, secs. 143A, 224 to 231, 256, 258, 259, 309). It also hears appeals from allowances or disallowances of claims for refunds of taxes, and from cancellations of Motor Vehicle Fuel Dealers licenses (Code 1957, Art. 81, secs. 214C, 217, 310(e); Art. 56, sec. 142(a)).

The Tax Court consists of five judges appointed by the Governor for six-year terms. One judge must be an Eastern Shore resident, one a Western Shore resident, and one a Baltimore City resident. The other two are residents of the State at large. No more than three judges may be of the same political party, and all must be taxpayers and qualified voters of Maryland. At least two must be members of the Maryland Bar, and the Governor designates one of these as Chief Judge.

Annual Report to Governor & General Assembly.

The Board of Trustees of Maryland Teachers and State Employees Supplemental Retirement Plans was created in 1985 to administer the State's supplemental retirement plans (Chapter 741, Acts of 1985). Voluntary plans for tax-sheltered income deferral, tax-deferred annuity, and profit sharing and salary reduction enable State employees and teachers to secure tax advantages.
