**LONG-TERM CARE DIVISION**

Shirley Whitfield, *Chief*  
 225-1083

The Long-Term Care Division directs the planning, implementation, and evaluation of long-term care services for the elderly. These services are managed by the Office on Aging in collaboration with other State departments and agencies. The Division promotes

statewide programs for long-term care of the frail elderly. These programs enable the elderly to reside in their homes instead of institutions.

The Division directs programs for Senior Community Care Services, Long-Term Care Ombudsman, Public Guardianship, and Senior Life Enrichment Visitation. Operated at the local level, the Senior Community Care Services Program screens and assesses applicants and coordinates and provides services for frail elderly persons. The Division also provides staff support to the Inter-agency Committee on Aging Services.

**HOUSING & CONTINUING CARE DIVISION**

Ilene W. Rosenthal, *Chief*

The Housing and Continuing Care Division develops, certifies, and helps operate subsidized sheltered housing for the elderly. Such housing affords a place to live with staff to assist residents as needed. To provide long-term shelter and care, the Division also regulates and certifies continuing care facilities run by the private sector. Information disclosed through the registration process is open to public inspection by prospective residents.
