The Republican State Central Committee is the governing body for the Republican Party of Maryland. The State Central Committee consists of the members of the County Central Committees and the Baltimore City Central Committee.

Members of County or Baltimore City Central Committees are elected by the qualified Republican voters of each county and Baltimore City in primary elections held in years of gubernatorial selection in the State. Any person who is a bona fide county or Baltimore City resident and a registered Republican voter may file a candidacy with the local Board of Supervisors of Elections.
