

If an Act is passed less than 45 days prior to June 1, it may not become effective sooner than 31 days after its passage. To bring this Act to referendum, the first one-third of the required number of signatures to a petition shall be submitted within 30 days after its passage. If the first one-third of the required number of signatures is submitted to the Secretary of State within 30 days after its passage, the time for the Act to take effect and for filing the remainder of the signatures to complete the petition shall be extended for an additional 30 days.

(c) In this Article, "pass" or "passed" means any final action upon any Act or part of an Act by both Houses of the General Assembly; and "enact" or "enacted" means approval of an Act or part of an Act by the Governor.

(d) Signatures on a petition for referendum on an Act or part of an Act may be signed at any time after the Act or part of an Act is passed.

SEC. 4.²²⁵ A petition may consist of several papers, but each paper shall contain the full text, or an accurate summary approved by the Attorney General, of the Act or part of Act petitioned. There shall be attached to each paper of signatures filed with a petition an affidavit of the person procuring those signatures that the signatures were affixed in his presence and that, based upon the person's best knowledge and belief, every signature on the paper is genuine and bona fide and that the signers are registered voters at the address set opposite or below their names. The General Assembly shall prescribe by law the form of the petition, the manner for verifying its authenticity, and other administrative procedures which facilitate the petition process and which are not in conflict with this Article.

SEC. 5. (b) All laws referred under the provisions of this Article shall be submitted separately on the ballots to the voters of the people, but if containing more than two hundred words, the full text shall not be printed on the official ballots, but the Secretary of State shall prepare and submit a ballot title of each such measure in such form as to present the purpose of said measure concisely and intelligently. The ballot title may be distinct from the legislative title, but in any case the legislative title shall be sufficient. Upon each of the ballots, following the ballot title or text, as the case may be, of each such measure, there shall be printed the words "For the referred law" and "Against the referred law," as the case may be. The votes cast for and against any such referred law shall be returned to the Governor in the manner prescribed with respect to proposed amendments to the Constitution under Article XIV of this Constitution, and the Governor shall proclaim the result of the election, and, if it shall appear that the majority of the votes cast on any such measure were cast

in favor thereof, the Governor shall by his proclamation declare the same having received a majority of the votes to have been adopted by the people of Maryland as a part of the laws of the State, to take effect thirty days after such election, and in like manner and with like effect the Governor shall proclaim the result of the local election as to any Public Local Law which shall have been submitted to the voters of any County or of the City of Baltimore.

The administrative and judicial officers of the State shall construe the provisions of this Article so as to effectuate that purpose. For the purpose of this Article only the word "officers" shall be construed to include those holding positions and other places of employment in the State and county governments whose terms are fixed by law, but it shall not include any appointments made by the Board of Public Works, nor appointments by the Governor for terms of three years.
