

certain claims against uninsured motorists; and 2) it sells automobile liability insurance to Marylanders who have been rejected by at least two private insurers or who have had their automobile liability insurance cancelled or not renewed for any reason other than nonpayment of premiums. In providing insurance, the Fund acts as any private insurance company and is subject to regulation by the Maryland Insurance Commissioner.

Every owner of a motor vehicle registered in Maryland must maintain the basic required primary coverage of \$20,000/ \$40,000 bodily injury, \$10,000 property damage, and \$2,500 economic loss coverage. Such compulsory insurance reduces substantially the number of uninsured claims. Nonetheless, uninsured claims continue due to hit-and-run accidents, out-of-state uninsured drivers, and Marylanders who do not comply with the law.

The Fund receives no general funds from the State, and its assets are not part of the State Treasury. Current Fund assets are derived from insurance premiums; earnings from investments; assessments, when required, levied against all automobile insurers; funds recovered from uninsured motorists by the Uninsured Division; and penalties imposed by the Motor Vehicle Administration against uninsured motorists (Code Transportation Article, secs. 17-101 through 17-110; Code 1957, Art. 48A, secs. 243-243N).

The Fund is governed by an eleven-member Board of Trustees. Five members of the Board are appointed by the Governor with Senate advice. Five are appointed by the Board of Directors of the Industry Automobile Insurance Association. The Executive Director of the Maryland Automobile Insurance Fund serves ex officio (Code 1957, Art. 48A, sec. 243M). The chairperson is selected by the Board and the position alternates between industry and government appointees. The Board advises the Executive Director and formulates policy for the Fund.

The Governor's Award Panel was authorized in 1991 with the Innovative Idea Award Program for State employees (Chapter 459, Acts of 1991). The Program offers incentives for ideas to save State money, increase State revenues, improve public services, or otherwise significantly benefit the State. Initially, the head of a unit of State government awards cash to an employee with an innovative idea

and then submits the idea to the Governor's Award Panel for review. At least once a year, the Panel notifies the Governor of innovative ideas recommended for additional awards. The Panel also must concur with regulations adopted by the Secretary of Personnel to implement the Program.

The Panel's five members are appointed by the Governor. Authorization for the Panel continues until June 30, 1996 (Code State Personnel and Pensions Article, secs. 8-201 through 8-207).
