The Maryland Venture Capital Trust was formed in 1990 (Chapter 222, Acts of 1990). The Trust provides an opportunity for Maryland State and local public pension funds and the State of Maryland and its political subdivisions to invest a portion of their funds in venture capital investments. The Trust has \$19.1 million consisting of \$15 million from the Maryland State Retirement and Pension Systems; \$2.1 million from the Fire and Police Employees' Retirement System of the City of Baltimore, and the Employees' Retirement System of the City of Baltimore; and \$2 million from the State of Maryland.

As a limited partner, the Trust invests in newly formed and existing venture capital funds which, as part of their overall investment strategy, will ensure that a majority of Trust funds are invested in Maryland business enterprises that are in the initial stages of development. The Trust, in its role as a "fund-of-funds," has committed \$9 million since July 1992 in four venture capital partnerships: Catalyst Ventures (\$3 million); Oxford Bioscience Partners (\$3 million); TDH III (\$2 million); and Calvert Social Venture Partners (\$1 million).

The Trust is composed of seven members. They are appointed to four-year terms by the Governor with Senate advice and consent (Code 1957, Art. 83A, secs. 5-1A-01 through 5-1A-09).
