
STATE CENTRAL COMMITTEES

Each of the two main political parties in Maryland is governed by a state central committee. The state central committee is composed of the members of the party's local central committees for the counties and Baltimore City. Each political party functions under its own constitution and bylaws (Code 1957, Art. 33, secs. 11-1 through 11-3).

The governing body of the Maryland Democratic Party is the Democratic State Central Committee. Committee members are elected from their respective county or legislative district or are honorary (nonvoting) members designated by the Committee. Honorary members may include elected Democratic officials such as the Governor, Lieutenant Governor, Attorney General, Comptroller of the Treasury, U.S. Senator, or U.S. Representative. Honorary memberships also may be extended to former Democratic governors and representatives of the Young Democrats of Maryland, the United Democratic Women's Clubs of Maryland, Maryland members of the Democratic National Committee, and any others designated by the State Central Committee.

In each gubernatorial primary election, Democratic central committees are elected locally by voters in each county and Baltimore City. Members serve four-year terms. A member of a local Democratic central committee must be a registered Democratic voter and a bona fide resident of the county or legislative district represented. Any qualified person may run for the office by filing a candidacy with the local Board of Supervisors of Elections.
