

petition bearing the signatures of not less than 20% of the registered voters of said City or any County (Provided, however, that in any case 10,000 signatures shall be sufficient to complete a petition), the Board of Election Supervisors of said City or County shall provide at the next general or congressional election, occurring after such demand or the filing of such petition, for the election of a charter board of eleven registered voters of said City or five registered voters in any such Counties. Nominations for members for said charter board may be made not less than forty days prior to said election by the Mayor of Baltimore and City Council of the City of Baltimore or the County Commissioners of such County, or not less than twenty days prior to said election by petition bearing the signatures written in their own handwriting (and not by their mark) of not less than 5% of the registered voters of the said City of Baltimore or said County; provided, that in any case two thousand signatures of registered voters shall be sufficient to complete any such nominating petition, and if not more than eleven registered voters of the City of Baltimore or not more than five registered voters in any such County are so nominated their names shall not be printed on the ballot, but said eleven registered voters in the City of Baltimore or five in such County shall constitute said charter board from and after the date of said election. At said election the ballot shall contain the names of said nominees in alphabetical order without any indication of the source of their nomination, and shall also be so arranged as to permit the voter to vote for or against the creation of said charter board, but the vote cast against said creation shall not be held to bar the voter from expressing his choice among the nominees for said board, and if the majority of the votes cast for and against the creation of said charter board shall be against said creation the election of the members of said charter board shall be void; but if such majority shall be in favor of the creation of said charter board, then and in that event the eleven nominees of the City of Baltimore or five nominees in the County receiving the largest number of votes shall constitute the charter board, and said charter board, or a majority thereof, shall prepare within twelve months from the date of said election a charter or form of government for said city or such county and present the same to the Mayor of Baltimore or President of the Board of County Commissioners of such county, who shall publish the same in at least two newspapers of general circulation published in the City of Baltimore or County within thirty days after it shall be reported to him. Such charter shall be submitted to the voters of said City or County at the next general or Congressional election after the report of said charter to said Mayor of Baltimore or President of the Board of County Commissioners; and if a majority of the votes cast for and against the adoption of said charter shall be in favor of such adoption, the said charter from and after the thirtieth day from the date of such election shall become the law of said City or County, subject only to the Constitution and Public General Laws of this State, and any public local laws inconsistent with the provisions of said charter and any former charter of the City of Baltimore or County shall be thereby repealed.

SEC. 1A.¹⁸⁰ The procedure provided in this section for adoption of a charter may be used in any county in lieu of the procedures provided in Section 1 of this Article, and a charter adopted pursuant to this section has the effect of a charter adopted in accordance with the provisions of Section 1. The board of county commissioners of any county at any time may appoint a charter board. Said

charter board shall be registered voters and shall consist of an uneven number of members, not fewer than five or more than nine. The board of county commissioners shall appoint a charter board within thirty days after receiving a petition signed by five percent of the registered voters of the county or by ten thousand voters of the county, whichever is the lesser number. If additional charter board members are nominated by petitions signed by three percent of the registered voters of the county or by two thousand registered voters, whichever is the lesser number, delivered to the board of county commissioners within sixty days after the charter board is appointed, the board of county commissioners shall call a special election not less than thirty or more than ninety days after receiving petitions, unless a regular election falls within the designated period. The appointees of the board of county commissioners and those nominated by petitions shall be placed on the ballot in alphabetical order without party designation. The voters may cast votes for, and elect a number of nominees equal to the number of charter board members originally selected by the board of county commissioners, and those so elected are the charter board. The charter board, within 18 months from the date of its appointment, or if there was an election for some of its members, within 18 months from the date of the election, shall present a proposed charter for the county to the board of county commissioners, which shall publish it at least twice in one or more newspapers of general circulation in the county within thirty days after it is presented. The charter shall be submitted to the voters of the county at a special or regular election held not earlier than thirty days or later than ninety days after publication of the charter. If a majority of the votes cast for and against the adoption of the charter are in favor of its adoption, the charter shall become effective as the charter of the county on the thirtieth day after the election or such later date as shall be specified in the charter.

SEC. 2.¹⁸¹ The General Assembly shall by public general law provide a grant of express powers for such County or Counties as may thereafter form a charter under the provisions of this Article. Such express powers granted to the Counties and the powers heretofore granted to the City of Baltimore, as set forth in Article 4, Section 6, Public Local Laws of Maryland, shall not be enlarged or extended by any charter formed under the provisions of this Article, but such powers may be extended, modified, amended or repealed by the General Assembly.

SEC. 3.¹⁸² Every charter so formed shall provide for an elective legislative body in which shall be vested the lawmaking power of said City or County. Such legislative body in the City of Baltimore shall be known as the City Council of the City of Baltimore, and in any county shall be known as the County Council of the County. The chief executive officer, if any such charter shall provide for the election of such executive officer, or the presiding officer of said legislative body, if such charter shall not provide for the election of a chief executive officer, shall be known in the City of Baltimore as Mayor of Baltimore, and in any County as the President or Chairman of the County Council of the County, and all references in the Constitution and laws of this State to the Mayor of Baltimore and City Council of the City of Baltimore or to the County Commissioners of the Counties, shall be construed to refer to the Mayor of Baltimore and City Council of the City of
