

illnesses (Code Health—General Article, sec. 10-406). Services extend to youth from Carroll, Howard and Montgomery counties.

The Center is staffed to accommodate and treat 72 adult and 24 geriatric patients, and 23 adolescents in small, 25-bed cottages. The Center also includes three cottages that house treatment programs for addicts. These are operated by the Allegany County Health Department. The one-cottage Massie Unit, licensed by the Department of Health and Mental Hygiene to the County Health Department, treats adults who abuse drugs and alcohol. The two-cottage Jackson Unit, licensed by the Department of Juvenile Justice to the County Health Department, treats juveniles with substance abuse problems or children in need of supervision. Another cottage is leased to Archway Station, Inc., as a 16-bed rehabilitation apartment complex. Also on the grounds of the Finan Center, the Joseph D. Brandenburg Center serves persons with mental retardation through programs of the Developmental Disabilities Administration.

**CITIZENS ADVISORY BOARD FOR
THOMAS B. FINAN HOSPITAL CENTER**
Hope E. Mahoney, *Chair*, 1999

Upon recommendation of the Secretary of Health and Mental Hygiene, the Governor appoints the Board's seven members to four-year terms.

**HIGHLAND HEALTH FACILITY
PSYCHIATRIC UNIT**

Ned Rosinsky, M.D., *Medical Director*
Richard J. Bandelin, *Administrator*

5200 Eastern Ave.
Baltimore, MD 21224 (410) 558-9005

Located on the grounds of Francis Scott Key Medical Center, the Highland Health Facility Psychiatric Unit was established in 1972. The Unit provides psychiatric treatment for residents of Baltimore City in close coordination with two local community mental health programs: Bayview, and Harbel, a day care program. The Unit is presently funded for 35 beds (Code Health—General Article, sec. 10-406).

**CITIZENS ADVISORY BOARD FOR HIGHLAND
HEALTH FACILITY PSYCHIATRIC UNIT**
Horace Dacko, *Chair*, 1996

The Governor, upon recommendation of the Secretary of Health and Mental Hygiene, appoints the Board's seven members to four-year terms.

CLIFTON T. PERKINS HOSPITAL CENTER
M. Richard Fragala, M.D., *Superintendent*

P. O. Box 1000
Dorsey Run Road
Jessup, MD 20794 (410) 792-4022

The Clifton T. Perkins Hospital Center is the State's only maximum security hospital. Formally established in 1959 as Maximum Security Hospital, it was assigned to the jurisdiction of the Department of Mental Hygiene. In April 1960, the Hospital was renamed to honor Dr. Clifton T. Perkins, Commissioner of Mental Hygiene from 1950 to 1959 (Chapter 814, Acts of 1959). Dr. Perkins had planned and defined the function of the Hospital but died before it opened early in 1960.

The Center treats patients referred by the courts of Maryland for pretrial psychiatric evaluation. It is a residence for individual offenders who have been found not guilty by reason of insanity. The Center also serves as a hospital for prisoners who become mentally ill and require involuntary psychiatric hospitalization. Prisoners are committed to the Center for an indefinite length of time and only can be released upon the authorization of a judge. From other State psychiatric hospitals, the Center also accepts patients whose illness requires maximum security treatment for a period of time. The Center is funded to serve a daily average of 250 patients (Code Health—General Article, sec. 10-406).

**CITIZENS ADVISORY BOARD FOR
CLIFTON T. PERKINS HOSPITAL CENTER**
Alfred Bumanis, *Chair*, 1997

The Board's seven members are appointed to four-year terms by the Governor upon recommendation of the Secretary of Health and Mental Hygiene.

MARYLAND PSYCHIATRIC RESEARCH CENTER
William T. Carpenter, M.D., *Director*

P. O. Box 3235
Maple and Locust Sts.
Catonsville, MD 21228 (410) 455-7101

Opened in 1968, the Maryland Psychiatric Research Center is located on the grounds of Spring Grove Hospital Center (Chapter 558, Acts of 1967). The University of Maryland at Baltimore operates the Research Center under an agreement with the Department of Health and Mental Hygiene.

The Center conducts a program of basic and applied interdisciplinary research on mental illness and trains graduate and postgraduate students in psychiatric and behavioral sciences research (Code Health—General Article, sec. 10-425).

**REGIONAL INSTITUTE FOR CHILDREN
& ADOLESCENTS—BALTIMORE**
Clifford A. Palmer, *Chief Executive Officer*

605 South Chapel Gate Lane
Baltimore, MD 21229 (410) 368-6600

The Regional Institute for Children and Adolescents—Baltimore opened in 1958. Originally located in Baltimore County on the grounds of
