the State Lottery are deposited with General Funds in the State Treasury. Formed in 1972, the Agency began operation on January 2, 1973 (Chapter 365, Acts of 1972, ratified November 7, 1972).

The Agency conducts a three-digit daily lottery called "The Numbers Game" (Pick 3); and a four-digit lottery (Pick 4). It also runs a pick-six-out-of-forty-nine Lotto Game with jackpots of over \$1 million and twice-weekly drawings. In addition, the Agency conducts a pick-five-out-of-thirty-nine numbers game (Match 5). If five numbers match, a player wins \$50,000; for four numbers, \$400; or for three numbers, \$15.

In licensed retail establishments, lottery ticket sales outlets sell and cash in daily lottery tickets through a terminal connected to a computerized on-line real-time system. Prizes of \$600 or less may be claimed through any of these sales outlets. Each provides How-to-Play brochures and other game information.

Official winning numbers are drawn on live television. For the Pick 3 and Pick 4 games, they are drawn midday (Monday through Saturday) and evenings (Monday through Sunday). Evening drawings also are held for the Lotto Game (Saturday and Wednesday) and for the Match 5 cash game (Monday, Tuesday, Thursday, Friday, and Sunday).

The Director of the Agency is appointed by the Governor with Senate advice and consent (Code State Government Article, secs. 9-101 through 9-125).

**STATE LOTTERY COMMISSION**

John F. Gore, *Chair*, 1997

The State Lottery Commission serves as an advisory board to the State Lottery Agency. The Commission's five members are appointed to four-year terms by the Governor with Senate advice and consent (Code State Government Article, secs. 9-104 through 9-106).
