

WICOMICO COUNTY

Form of Government: Charter since 1964

Origin: Wicomico County was created from Somerset and Worcester counties in 1867 (Const., Art. XIII, secs. 2-6). The County was named after the Wicomico River from the Indian words "wicko" and "mekee" meaning "a place where houses are built," apparently referring to an Indian town on the river banks.

County Seal of Wicomico County
