Said bill was then sent to the Senate.

The bill entitled an Act to amend the Act of 1860, chapter 265, entitled an Act to incorporate the Consolidation Coal Company,

Being upon a third reading,

Mr. Gorman submitted the following amendment :

Add as section 2, *And be it enacted*, That the said Consolidation Coal Company shall not be permitted to purchase, build, construct, equip, or subscribe to the capital stock of any railroad, other than such railroad as may be required for their business within the county of Allegany, and which shall connect with some railroad now constructed in said county, excepting the Western Maryland Railroad Extension Company.

Which was adopted.

And the bill, as amended, rejected by yeas and nays, (for want of a constitutional majority,) as follows :
