Mr. Wiley, Chairman (on the part of the House) of the Joint Committee on Printing, submitted the following

REPORT.

To the House of Delegates :

I am instructed by the Joint Committee on Printing to report to the General Assembly that the total printing, also the binding and German translation, has been done to this time, and will be completed for the gross sum of \$42,250, which is \$10,870 less than the same work of a similar character cost for the session of 1868. When it is recollected that there has been a much larger number of bills and special reports printed during the present session than at the last session, the Committee hope the General Assembly will be satisfied with its efforts to reduce and economize in this branch of expenditures of the public service.

JAMES C. CLARKE,
Chairman of Senate.

JOHN F. WILEY,
Chairman of House of Delegates.

Which was read and rejected.

On motion of Mr. McLane,

The vote by which said report was rejected was reconsidered.

The question then recurring upon the adoption of the report, it was rejected.

The Secretary of the Senate returned the bill entitled an Act to add additional sections to Article 69, of the Code of Public General Laws, entitled: "Officers," regulating and prescribing the number and compensation of officers of the Senate and House of Delegates, and repealing Acts inconsistent therewith,

Endorsed, "Passed by yeas and nays with proposed amendments:"
