

Charter priv-
ileges.

Right to con-
struct.

2. *And be it enacted*, That for the better government of the said corporation, the following shall be the charter privileges accorded to the Company hereby incorporated, and this Act shall go into full effect as soon as the sum of ten thousand dollars shall be subscribed to its capital stock, and this corporation is hereby authorized and empowered, whenever the president of said Company hereby created shall inform the Commissioners of Frederick and Montgomery Counties that one thousand shares of stock has been subscribed, and ten thousand dollars thus secured, to take full possession of the road known as the Frederick and Georgetown road, from the Monocacy river on its north and west side, as far as Nealsville, on said road, and from Nealsville said Company shall have the right to construct said road to Rockville, Montgomery County, or to connect with the Washington and Brookville Union Turnpike or Plank Road Company, or if thought judicious to construct both of said roads and hold them as their own, and use them as hereinafter specified, and they are granted the privilege and are hereby empowered to connect their road or roads with the roads already made from the points herein named to Frederick and Washington, respectively, and the Commissioners of the Counties herein named shall, without delay, upon the receipt of the notice above mentioned from the president of this Company, relinquish all control of the roads herein named, and shall transfer to this Company all the roads and their appurtenances to the President and Directors of the Monocacy and Montgomery Turnpike Company.

Elect officers.

3. *And be it enacted*, That it shall, as soon as the sum of ten thousand dollars are subscribed to its capital stock, (and bi-ennially thereafter this first election,) proceed to organize itself by electing officers for the management of its affairs, and shall select a suitable place as an office for the use of said Company, where its business shall be transacted.

Put up gates.

7. *And be it enacted*, That the said Company having perfected three consecutive miles of the said road or roads aforesaid, may put up a gate, and for every additional three miles consecutively com-
