

extend to and embrace the power to acquire and hold all lands adjoining the track of said Road not exceeding five acres in any one place which the said Company may deem necessary or convenient for depots or any other purposes required by the legitimate business of the said Company; and the mode prescribed in said original Act for the assessment of damages and condemnation of land, shall apply to all land taken and occupied under this Act.

Assess dam-
ages.

Payment ten-
dered.

Sec. 2. *And be it enacted*, That the Commissioners to assess damages of land owners, authorized by the original Act, to which this a supplement, in estimating the damages to which any land owners may be entitled under said Act, or its supplements, shall take into the estimate the benefits resulting to said owner or owners from conducting such Railroad through, along or near to the property of said owner or owners, but only in extinguishment of the claim for damages; and the said Commissioners, in the certificate which they shall return to the Clerk of the Circuit Court for Worcester County, in addition to a description of the lands condemned, shall include also the quantity or duration of the interest in the same, valued by them for the Company, and the said valuation, when paid or tendered to the owner or owners of said property, or his, her or their legal representatives, or paid to the Clerk of the said Court in the manner and upon the conditions prescribed in the said original Act, shall entitle the said Company absolutely to the estate or interest in the same thus valued, as fully as if it had been conveyed by the owner or owners of the same.

Power to lay
tracks.

Sec. 3. *And be it enacted*, That it shall and may be lawful, and the said Railroad Company is hereby authorized to introduce, construct and lay down the track of their said Road into, through and across the corporate limits of the town of Snow Hill, and for that purpose to lay down a single track through or across any of the streets or alleys of the said town, and the said Company may grade any street or alley through or across which it may lay its track, so as to make it convenient or suitable for the construction or working of their said Road; *provided*, that if in the grad-
