CHAPTER 278.

AN ACT to authorize the Burgess and Commissioners of the corporation of Smithsburg to introduce into said town any body of water that may be necessary for a full supply for said town.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That the Burgess and Commissioners of the corporation of Smithsburg shall have power in their corporate capacity to introduce into the town of Smithsburg, in Washington county, any body of water that may be sufficient and necessary for a full supply for said town, and may convey the same in such manner and direction as the said corporation may think proper, and said corporation may purchase and hold all such land, tenements, goods and chattels as may be necessary to carry into effect the provisions of this Act, and may grant and allow the same, may make and lay conduits or pipes for the conveyance of said water under and along the public highways, streets, lanes, alleys and side pavements, or any of them, of the county of Washington or town of Smithsburg, for the purpose of conveying and distributing said water, and may from time to time renew and repair the same, and may establish reservoirs and public fountains in such parts of the streets and

Introduce  
water.

Establish  
Reservoirs.
