

Also, from a Select Committee, reported favorably on

The House bill entitled an Act to protect the owners of land bordering on the waters of Queen Anne's and Kent counties.

Said bill was then read the second time.

Also, from the same Committee, reported favorably on

The House bill entitled an Act to give the tongsmen in Queen Anne's and Kent counties, the right to take or catch oysters in the waters of either county, on a license to be taken out in the county in which the tongsmen respectively reside.

Said bill was then read the second time.

Mr. Williams, from the Committee on Judicial Proceedings, reported favorably

The bill entitled an Act to add a new section to Article XCIII. of the Code of Public General Laws, title "Testamentary Law," sub-title "Orphans' Court," to come in after section 242.

Said bill was then read the second time.

Mr. Williams submitted the following memorial of the Faculty of the University of Maryland :

*To the Honorable, the Senate and House of Delegates
of the General Assembly of Maryland :*

We, the undersigned, the Faculty of Physic of the University of Maryland, would respectfully present to your Honorably Bodies the following memorial :

WHEREAS, the School of Medicine in the University of Maryland, having been in active operation for sixty-five years, is one of the oldest institutions of professional learning in the country, and has been the means of promoting sound medical education throughout every portion of the State, as well as beyond its borders ;

And whereas, its usefulness might be very much promoted by an increase of its facilities for imparting instruction, which facilities cannot be adequately provided except by a larger expenditure than the occupants of the respective Chairs can afford to make ;

And whereas, the Legislatures of other States, and notably of Virginia, have deemed it wise, liberal and politic to make, from time to time, such appropriations to institutions of learning, within their borders, as will enable them to enlarge their spheres of usefulness ;

And whereas, the School of Medicine in the University of
