

CHAPTER 204.

AN ACT to divide election district number two, in Frederick county, into four polls, and to repeal an Act passed by the General Assembly of Maryland on the first day of February, in the year eighteen hundred and sixty-two, chapter fifty-three, entitled "an Act to divide election district number two, in Frederick county, into two polls."

Authorized
to hold four
polls.

SECTION 1. *Be it enacted by the General Assembly of Maryland,* That the County Commissioners of Frederick county be and they are hereby authorized and required to hold four polls in district number two, called Frederick district, of said county.

First polls.

SEC. 2. *And be it enacted,* That all that portion of election district number two, beginning at the boundary line of said district at the crossing of the Georgetown Turnpike Road over the Monocacy, and thence with the middle of said turnpike road northwardly to Frederick city; thence with the middle of Market street to the intersection of Patrick street; thence with the middle of Patrick street and [and] with the middle of the Frederick and Boonsborough Turnpike Road, the boundary line of said district; thence with the boundary line of said district southwardly till it reaches the extreme southwestern point of said district; then with the divisional line between said election district number two and election district number one, till it reaches the Monocacy River; then *with* the meandering of said river to the place of beginning, shall constitute and be the first polls or precinct of said election district number two, and all votes embraced within said lines shall vote at some convenient place to be provided by the said County Commissioners at or near the United Fire Companies' Engine House in Frederick city.

Meets and
bounds.

Place of
voting.

Second polls.

SEC. 3. *And be it enacted,* That all that portion of election district number two in said county, beginning at the boundary line of said district at the crossing of the Georgetown Turnpike Road over the Monocacy River; and thence, with the middle of
