

some well-known termini, all the public roads in his election district; make out and submit to the County Commissioners in writing an estimate of the cost per annum of keeping the said several sections of road in repair, upon the receipt of which the said commissioners shall proceed to examine the same and allot the fund levied or to be levied for road purposes in said district for the current year to the said several sections, according to the best of their skill and judgment, as the public need may require.

Estimate cost
Duty of the supervisor.

SEC. 5. *And be it enacted*, That it shall be the duty of each supervisor to cause all public roads within his district to be kept cleansed, smooth and in good repair, with suitable drains on each side, so as to afford, at all times, free, safe and easy passage for wagons and carriages along such roads; to cause bridges and culverts to be made, where necessary, and to keep the same in repair.

Public road obstructed.

SEC. 6. *And be it enacted*, That whenever any public road shall be obstructed in any manner, and whenever any bridge or culvert shall be out of repair or dangerous, it shall be the duty of the supervisor to remove the obstructions and to have the bridges and culverts rebuilt or repaired, *provided* the cost thereof shall not exceed twenty dollars; then he shall report the same to the County Commissioners, whose duty it shall be immediately to cause the obstructions to be removed, or such bridge or conduit to be rebuilt or repaired, as the case may be, either by ordering the supervisor to hire laborers and teams for the purpose, or by making a contract therefor with some fit person; and all moneys required to carry out the provisions of this law shall be paid out of the funds of the county, on the order of the commissioners; and all bills of cost for hire of persons or teams, or for other expenses incurred in repairing the public roads, shall be approved by the County Commissioners.

Proviso.

To make general repairs.

SEC. 7. *And be it enacted*, That the several supervisors shall make general repairs of the roads within their districts at least twice in each year, once prior to the fifteenth of May, and once prior to the fifteenth
