

Duty of the supervisors.

SEC. 6. *And be it further enacted*, That the several supervisors shall make general repairs of the roads within their districts at least twice in each year; once prior to the fifteenth of May, and once prior to the fifteenth of September; and the County Commissioners shall fix and regulate from time to time the prices to be paid by supervisors for the hire of necessary teams and laborers to execute any work under this law; and it shall be lawful for the owner or occupant of the land over which a public road passes, or for one or both of the adjoining owners or occupants when the road divides farms, and when said road or any part needs immediate attention, to notify the supervisor in writing of the condition of said road, and if the same is not mended in three days from the delivery of said notice, the said owners or occupants may have the same repaired, and it shall be the duty of the County Commissioners to pay him or them therefor, at the same rates for teams and laborers that are or may be allowed supervisors, but no allowance shall be made for his or their personal services in overlooking said work; *provided*, that the items of said claims shall be verified by affidavit of the correctness thereof, and that the road needed such repairs.

Proviso.

In force.

SEC. 2. *And be it enacted*, That this Act shall take effect from the date of its passage.

Approved April 1, 1872.
