CHAP. XLIX.

Passed Jan 3 1807

*An Act to stop up, enclose and improve, a Ten Foot Alley in the City of Baltimore.* Lib. TH. No. 1, fol. 245.

Preamble,

WHEREAS it is represented to this general assembly, by the petition of sundry inhabitants of the city of Baltimore, that they are possessed of sundry dwelling houses and stores on the west side of Calvert-street, in the city of Baltimore, extending from Water-street to a ten foot alley, left open by the owners of the grounds for their mutual advantage and convenience; that the said petitioners are owners of the grounds west from the said ten foot alley to a public alley of sixteen feet, and the said petitioners find, from experience, that the aforesaid ten foot alley, from its not being under the directions of the city commissioners, is now become a very great nuisance, not only to your petitioners, but generally to the inhabitants contiguous thereto; that the said petitioners have executed articles of agreement, bearing date the twenty-sixth day of November, one thousand eight hundred and six, whereby they have mutually agreed, that the aforesaid private alley shall be no longer occupied or kept open as such, but shall be improved and enclosed in such manner as the owners of such property, through which it passes, or are adjoining thereto, may think proper, as far as their property respectively extends, and that several of the present owners of the aforesaid property, having become purchasers of the same, since the aforesaid ten foot alley has been occupied as such; And whereas some of their titles, by their expressions, may be bounded on the same, and doubts may arise as to the right of shutting it up, and securing to each respective owner the right to the adjoining ground; and the prayer of the petitioners appearing reasonable, therefore,

Alley may be stopped up.

2. BE IT ENACTED, by the General Assembly of Maryland, That it shall and may be lawful for the said petitioners to stop up, enclose and improve upon, the aforesaid ten foot alley, and severally to have, hold and enjoy, to their own use, those parts thereof lying between their grounds respectively, each one half; that is to say, five feet to each owner on either side of the alley, any law to the contrary notwithstanding.
