Passed Jan 6, 1810
* Not known what act

A Supplement to an Act, entitled, An act to lay out a certain Road in Baltimore County. Lib. TH. No. 2, fol. 243.*

See 1811, ch. 194, and December 1813, ch. 136.

Preamble

WHEREAS John Weston, by his petition to this general assembly, hath represented, that the road as laid down by the commissioners appointed under the act to which this is a supplement, is very injurious to his farm, and the valuation of damages made by said commissioners not nearly adequate to the injury he hath sustained, and prays that other commissioners may be appointed to revalue the same; therefore,

Damages sustained by John Weston to be valued.

2. BE IT ENACTED, by the General Assembly of Maryland, That Robert Porter, John Murray and Benjamin Gatch, be and they are hereby appointed commissioners to value the damages sustained by the said John Weston by reason of the aforesaid road passing through his land, and they, or a majority of them, are hereby authorised to meet upon the premises on or before the first day of May next, and after being duly qualified before some justice of the peace, truly and impartially to estimate the damages sustained by the said John Weston by reason of the said road running through his farm, they shall proceed to value the same, taking into their consideration the advantages and disadvantages, if any, and such valuation shall be final and conclusive.

After being laid out, and valuation paid, to be deemed public.

3. AND BE IT ENACTED, That as soon as the said road shall be laid out and opened, and the valuation herein directed to be made shall have taken place, the same shall be deemed and taken to be a public road, and kept in repair as other public roads in said county are, any thing in the act to which this is a supplement to the contrary notwithstanding.
