

be signed by the president of the said board of county commissioners, and countersigned by the clerk of said board, not to exceed in the aggregate the amount of twenty-five thousand dollars, said bonds to bear interest payable semi-annually on the first day of January and the first day of July in each and every year, at the rate of six per centum per annum, and the interest on said bonds shall be received by the collector of taxes for said county in payment of county taxes.

SEC. 2. *And be it further enacted,* That said bonds shall be issued payable twenty years from the date thereof, and be redeemable at any time after the expiration of five years from date, at the pleasure of said county commissioners. When payable

SEC. 3. *And be it further enacted,* That said bonds shall be sold by said county commissioners at public sale, to the highest responsible bidder therefor, for cash, after giving at least three weeks prior notice, and advertisement in two or more newspapers published in said county. Shall be sold.

SEC. 4. *And be it further enacted,* That the said county commissioners shall in each and every year levy upon the assessable property in Frederick county such sum of money as may be necessary to pay the interest on the outstanding bonds, by them issued in pursuance of this act, as the same shall fall due, and also such further and additional sum as may be required to gradually retire and redeem such bonds until they shall have been redeemed, and said taxes authorized by this act shall be collected as other taxes are collected in said county. Levy,

SEC. 5. *And be it further enacted,* That the money raised by the issue and sale of such bonds, under the provisions of this act, shall be exclusively appropriated and applied to the payment of the sums of money already borrowed by said county commissioners, and expended in the erection of the said new jail, and to the payment of such further expenses as may be incurred in the erection and furnishing of said new jail, and enclosing the same with a substantial wall. Applied to
