TALBOT COUNTY.

COURT adjourned. 1768, ch. 1.

The following resolve passed the convention, September 14, 1776:

It being represented to this convention, that in the year one thousand seven hundred and seventy-three, an act of assembly passed, directing the justices of Talbot county to levy on the inhabitants of that county forty-five pounds of tobacco per tax, to be paid at three annual payments, for the purposes of purchasing land, and building a house thereon for the reception of the poor of that county; that in consequence thereof there was levied at November court, seventeen hundred and seventy-four, the quantity of fifteen pounds of tobacco per poll, which has been collected and paid into the hands of trustees appointed to carry the said act into execution, and there remains unexpended. That at November court, seventeen hundred and seventy-five, the further sum of fifteen pounds of tobacco was levied by the justices of the said county, now to be collected by the sheriff, which cannot at this time be done without distressing the inhabitants thereof:

RESOLVED therefore, That the sheriff of Talbot county shall forbear to collect any of the tobacco so levied on the inhabitants of that county at November court, seventeen hundred and seventy-five, and that the trustees appointed for carrying the said act of assembly into execution, are hereby requested to pay all money or tobacco which they may have received, or shall hereafter receive, in virtue of the said act, into the hands of the trustees of the said county, to be applied by them to the relief and support of the poor of the said county.
