Passed Mar. 8. **A Supplement to an act,** entitled, An act to establish a market in Frederick-town in Frederick county, and for the regulation of said market.

Preamble.

W H E R E A S, by the report from the committee to whom was referred the petition of sundry inhabitants of Frederick-town and county, for the removal of the market-house in said town, and the counter petition thereto, which said report has been concurred with, by which it appears, that the petition for the removal is inadmissible, because the contracted situation complained of is removed by a donation of ground of nearly double the quantity it now contains, and more especially because the present ground was given for the express purpose of building and continuing the market-house thereon, and that when the market-house is removed the property reverts to the original proprietor, and cannot constitutionally be sold by the inhabitants of said town for any purpose or use whatever: And whereas it further appears by said report, that the prayer of the counter petition ought to be granted, on the express terms that they, the donors, convey to the inhabitants of said town and county, in like manner as the present market-ground is conveyed, in fee, for the sole purpose and use of said market, the ground expressed in said petition to be given for that purpose: And whereas a deed of conveyance has been since made and executed, in trust, for the use of and in behalf of the inhabitants of said town and county, for the purposes aforesaid, to wit, on or about the twentieth day of January, seventeen hundred and eighty-six, by William Murdock Beall, Henry M'Cleary, John Gibhart, and Henry Zealer, the donors aforesaid, for a certain portion of ground therein mentioned and described, containing sixty feet by one hundred and eighty feet, more or less, as also an alley of twelve feet by one hundred and fifty-five feet, for the use and purpose aforesaid, to and in the name of Baker Johnson, Richard Potts, George Murdock, John Bruner, Jacob Steiner, John Adlum, and Peter Mantz, as trustees, for the use of the inhabitants aforesaid; and it is further prayed, that an act of assembly may be passed for confirming the said deed, and vesting the estate therein mentioned to the trustees aforesaid, for the use and purpose aforesaid: Therefore,
