### MISCELLANEA

Hoover, considered a liberal Republican, promised a chicken in every pot; instead, the stock market crashed and when he left office the economic life of the country was near disaster. He was defeated for re-election by a landslide. The voters were so eager for a successor to be nominated that this helped bring about the 20th amendment to the Constitution advancing the new President's inauguration to January 20 and the opening of the new Congress to January 3. The Republicans carried Maryland in this election except for the Counties of Queen Anne's and St. Mary's.
