Carter and Mondale	297 electoral
Ford and Dole	240

*MISCELLANEA*

The Democrats were victorious in Maryland carrying Baltimore City and the following counties: Allegany, Calvert, Cecil, Charles, Kent, Montgomery, Prince George's, St. Mary's and Somerset.

Carter's administration got off to an encouraging start; however, the country was in turmoil at the end of four years. Rejected by the voters, Carter joined the ranks of the few incumbent Presidents who were not re-elected.
