

(c) *Voters' Certificates OR VOTING AUTHORITY CARDS.* At the close of the polls the judges in charge of the voting machines shall account for all certificates OR VOTING AUTHORITY CARDS surrendered to them, to be returned to the Board of Supervisors of Elections wrapped and sealed in a package marked "Surrendered Voters' Certificates" OR "SURRENDERED VOTING AUTHORITY CARDS", bearing the signature of the judges. The unused and spoiled voters' certificates OR VOTING AUTHORITY CARDS shall be wrapped and sealed in a separate package, marked "Unused and Spoiled Voters' Certificates" OR "UNUSED AND SPOILED VOTING AUTHORITY CARDS", bearing the signature of the judges; and likewise returned to the said Board with other election equipment.

(d) *Primary Elections.* In primary elections, before a voter is admitted to the voting machine, it shall be adjusted by the judge of election in charge thereof, so that such voter shall only be able to vote for the candidates of that party with which he is affiliated.

VOTING WITH PAPER BALLOTS

105. *Voting Booths.* (a) *Construction.* In those precincts in which paper ballots are used for voting, the Supervisors of Elections shall provide in each room designated by them as polling places, a sufficient number of voting booths or compartments, in which voters may conveniently mark their ballots. Said booths or compartments shall be constructed of plank not less than one inch in thickness or of substantial metallic or other material. They shall be of such width, depth and height that the voter in marking his ballot therein shall be screened from the observations of others, and for this purpose a short curtain shall be hung across the front of each compartment at a convenient height, and so as to extend a little below the shelf hereinafter mentioned. Each compartment shall have a shelf therein, and shall be provided with indelible pencils for marking the ballots.

(b) *Guard-rail.* A guard-rail shall be constructed in said polling place, so as to divide the space occupied by the judges of election and other officials and persons permitted by law to be within the same from the public; said guard-rail shall have an entrance and exit thereto and shall be so constructed and placed that only persons who are inside said rail can approach within five feet of the ballot boxes. The arrangement of such polling places shall be such that neither the ballot boxes nor the voting booths or compartments shall be hidden from view of those just outside of said guard-rail. No person other than voters engaged in preparing or depositing their ballots, and the election officers, shall be permitted to be within said rail, unless by authority of the judges of election, for the purpose of keeping order and enforcing the law. The ballot box shall be within said rail and not more than six feet therefrom.

(c) *Number.* The number of such compartments shall be not less than one for every one hundred voters qualified to vote at such polling place in Baltimore City. It shall be not less than five in any polling place in said city, and not less than three in any polling place in any county.

(d) *Expense.* The expense of providing election booths or compartments and guard-rail shall be a public charge and after the elec-
