

to any voter who is not blind or incapable by reason of physical disability from operating such machine. The voter shall state in his affidavit the specific physical disability which requires him to receive assistance, and the judges of election shall enter in writing on the record of assisted voters: (1) the voter's name; and (2) the specific physical disability which requires him to receive assistance.

(c) Assistance to Others. If, however, any voter, after entering the voting machine booth, and before the closing of such booth, shall ask for further instructions concerning the matter of voting, then two of the judges of opposite political parties shall give him such instructions, but no such judge shall, in any manner, request, suggest, or seek to persuade or induce any such voter to vote any particular ticket, or for any particular candidate, or for or against any particular question. After giving such instructions, and before the voter closes the booth or votes, the judges shall retire, and the voter shall forthwith vote.

128. Time Allowed for Voting. No voter shall remain within the voting machine booth longer than ~~may be necessary to vote, and in no event longer than seven minutes in case all such voting machines are in use and other voters are waiting to occupy the same~~ **FOUR MINUTES, IF THERE ARE OTHER VOTERS AWAITING AN OPPORTUNITY TO REGISTER THEIR VOTE**, except that an additional three minutes shall be allowed if there are Constitutional amendments or referenda to be voted upon.

129. Voter's Record. The Board of Election Supervisors shall designate one of the judges of election representing the majority party to be the binder judge in each precinct. The binder judge shall mark the word "Voted" or the letter "V" in the proper column of the register, as provided in Section 107 (d) of this Article. **A EXCEPT IN BALTIMORE CITY, A list of all persons voting shall be kept, on a form to be supplied by the Board, showing the name of each such person voting, his voting authority card number and his code number, IF ANY.**

130. Challenging Right to Vote. In those precincts in which voting machines shall be used, when the right of any person to vote shall be challenged, such right shall be determined immediately after such person shall have received a voter's certificate or authority card as hereinabove provided, and the same proceedings shall then take place, as shall take place in other precincts upon the delivery of the ballot to the judge at the ballot box.

131. Tabulation of Votes. (a) *Machine Sealed.* When the polls are closed, all qualified voters who are then waiting in line to vote shall be permitted by the judges to do so. As soon as the polls are closed, and the last voter has voted, the judges shall immediately lock and seal the operating lever or mechanism of the machine so that the voting and counting mechanism will be prevented from operation, and they shall then sign a certificate stating: (1) that the machine has been locked against voting and sealed; (2) the number of voters, as shown on the public counters; (3) the number on the seal which they have placed upon the machine; (4) the number registered on the protective counter or device; and (5) the number or other designation of the voting machine, which certificate
