

whether the same shall be done by contract or otherwise, and, if by contract, the manner of letting same shall be discretionary.

To inspect the work.

293. When a contractor shall notify the superintendent of roads that a road or bridge is completed, at least one County Road Commissioner, or trustee, and the superintendent shall inspect the work, and if, in their judgment, it has been constructed in accordance with the plans and specifications, the same shall be reported to the Board of County Road Commissioners, and upon the acceptance by said Board of such report, said road or bridge shall be opened for public travel, and then, and not before, the contractor shall be entitled to receive the last instalment due thereon.

New modern road machines.

294. The County Road Commissioners are authorized and required to purchase such tools, implements and machines as, in their judgment, including at least three new modern road machines, may be necessary for the purpose of building and repairing such public roads.

To call on superintendent for advice.

294D. The Board of District Road Trustees shall have the care of the public roads within their respective districts, and all implements, tools, machinery and material thereto belonging. They shall attend to all repairs needed upon said roads, and, in connection therewith, make all necessary disbursements by orders on the Board of County Road Commissioners, and employ all necessary labor, teams, implements and road machines, which latter must be worked by skilled men. They may call upon the superintendent for any advice or assistance needed in the performance of their duties. They shall not exceed the sum of money appropriated to them by the Board of County Road Commissioners, and shall keep an accurate record of their actions, of which a full report shall be made by them to the Board of County Road Commissioners on or before the first day of November of each year, supported by an affidavit to the truth thereof.

License for hauling timber.

294E. It shall be lawful for the Board of County Road Commissioners, in their discretion, to require all persons who may engage in hauling timber in Prince George's County for commercial purposes, between the first day of December of any year and the first day of May following, to pay a license not exceeding the sum of five dollars per month for each team; and if the said license shall be imposed, all money derived therefrom shall be applied to the county road fund. If the Board of County Road Commissioners shall impose such a license, any person neglecting or refusing to procure the same shall be
