

of Maryland, title "Corporations," sub-title "Condemnation of Property by Corporations," any lands, or any interest therein, in said town of Hyattsville, or in Prince George's County, adjacent to said town, which may be needed for the disposal of said sewage or drainage, or for any pipes, sewers, buildings or other works or structures needed for the construction and operation of said sewers, or the disposal of said sewage or drainage.

SEC. 3. *And be it enacted*, That the Mayor and Common Council of Hyattsville shall have full power and authority to construct any sewers and drains in or under the beds of any of the streets, roads, alleys and lanes of said town, and in and under any lots or parcels of ground belonging to or which may be acquired by the Mayor and Common Council of Hyattsville, and to connect therewith at the expense of the Mayor and Common Council, or to cause or require the owners or occupants thereof to connect therewith, at the expense of such owners or occupants, and any or all of the dwellings, houses and other buildings, sinks, wells, cess-pools and receptacles of water or sewerage in said town. And the Mayor and Common Council of Hyattsville shall have full power and authority to provide by ordinance when and how such connections shall be made, and the fines and penalties for the failure, neglect or refusal of property owners or occupants of houses, other buildings and lands in said town, to make or permit such connection and for injury to or interference with said sewers, drains, pipes and connections, and said fines and penalties shall be collected as other penalties and fines are collected.

Right to construct sewers in or under streets, lanes, etc.

Connections with sewer.

SEC. 4. *And be it enacted*, That whenever said sewerage system shall be in proper working order for receiving and disposing of the sewage or drainage of any premises which shall have been connected with it, the said Mayor and Common Council shall have power and authority to cause or require any well, sink, cess-pool or other receptacle of sewage or drainage on said premises to be cleaned out and filled up at the expense of the owner or occupant, so as to prevent its further use, and may provide by ordinance fines and penalties for the failure, neglect or refusal of the owners or occupants of such premises to clean out and fill up such wells, sinks, cess-pools, and receptacles, or to submit to the cleaning out, filling up of the same, at the expense of the owners or occupants.

Eliminating sinks, wells, cesspools, etc.
