

be paid over to the Treasurer of Allegany County and credited by him to the account of the Road Directors; all such fines to be collectible as other fines imposed by justices of the peace.

216B. The Road Directors aforesaid shall, within thirty days after their qualification, appoint as Allegany County Roads Engineer a skillful and experienced man over twenty-five years of age, having the degree of civil engineer, who shall give his entire time to his office for two years next succeeding the date of his appointment, or until his successor is appointed and qualified, unless sooner removed from such office by the Road Directors upon the recommendation of the Grand Jury for Allegany County or for cause by said Road Directors deemed sufficient, and in such case said Road Directors shall immediately select his successor for the unexpired term. The term of the Road Engineer first appointed under the provisions of this Act shall expire upon the tenth day of February, 1906. Before entering upon his duties, the Roads Engineer shall qualify by taking oath before one of the judges of the Circuit Court for Allegany County to faithfully perform the duties of his office and by giving bond to the said Board of Road Directors in the penal sum of five thousand dollars, conditioned for the faithful performance of his duties.

Roads Engineer.

Bond of same.

216C. The Allegany County Roads Engineer shall inspect the roads of each district in the county as often as may be necessary and recommend to the Road Directors such repairs and improvements as he may think advisable; and he shall also submit specifications and plans for the repairs and improvements of any road or bridge when called upon by said Road Directors, and shall assist said Road Directors in any manner in the performance of their duties.

To inspect same.

216D. The Allegany County Roads Engineer shall receive a salary of eighteen hundred dollars annually, in monthly instalments, and four hundred dollars or so much thereof as may be necessary to meet the traveling, office and other expenses, including drawings, specifications, etc., incurred in the discharge of his duties, which shall be paid by the Road Directors as other monthly expenditures upon presentation of the account with properly signed vouchers; and the minimum wages of labor on said roads shall be one dollar and seventy-five cents per day for adult workmen, and all wages shall be determined by the Directors.

Salary of Engineer.

216E. The County Commissioners shall, in their annual levy in the year 1904, and annually thereafter, levy upon the assessable property of Allegany County not less than thirty-two

Annual levy to be made.
