

and shall record and return the same on the original report blank to the local board of health. It shall further be the duty of the local board of health to transmit to the physician reporting any case of pulmonary or laryngeal tuberculosis a printed requisition, from which shall be prepared by the State Board of Health and issued in sufficient number to any local board of health upon due requisition of the latter. Upon this requisition blank shall be named the materials kept on hand by the local board of health for the prevention of the spread of the disease, and it shall be the duty of the State Board of Health to purchase such supplies as it may deem necessary from the fund hereinafter provided, and to supply them to any local board of health upon due requisition of the latter. Any physician may return a duly signed requisition to the local board of health for such of the specified materials and in such amount as he may deem necessary in preventing the spread of the disease, and all local boards of health shall honor, as far as possible, a requisition signed by the attending physician in such case. It shall be the duty of every local board of health to transmit to every physician reporting any case of pulmonary or laryngeal tuberculosis, or to the person reported as suffering from this disease, provided the latter has no attending physician, a circular of information prepared and printed by the State Board of Health and which shall be furnished in sufficient quantity to every local board of health on due requisition of the latter. This circular of information shall inform the consumptive of the best methods of cure of his disease and of the precautions necessary to avoid transmitting the disease to others.

Printed requisitions.

Circular information to consumptives.

SEC. 4. Any physician or person practicing as a physician who shall fail to execute the duties prescribed by this Act, or who shall knowingly report as affected with pulmonary or laryngeal tuberculosis any person who is not so affected, or who shall wilfully make any false statement concerning the name, age, color, sex, address or occupation of any person reported as affected with pulmonary or laryngeal tuberculosis, or who shall certify falsely as to any of the precautions taken to prevent the spread of infection, shall be deemed guilty of fraud, and on conviction thereof shall be subject to a fine of one hundred dollars, or to imprisonment not exceeding six months, or both fine and imprisonment, in the discretion of the court.

Physicians guilty of making false statements.

Penalty.

SEC. 5. The State Board of Health shall prepare and keep on hand all the circulars, blanks and printed matter required by the preceding section and all additional printed matter necessary in executing the provisions of this Act, and shall issue the same in sufficient quantity to the local boards of health upon due requisition of the latter; and the said State Board of Health shall further purchase and issue upon due requisition to the local boards of health the supplies required by the provisions of this Act. For the purpose of defraying the expenses of printed matter and postage, for recompensing physicians for measures of prophylaxis, and for purchasing and issuing the the supplies necessary in carrying out the provisions of this Act,

State Board of Health to issue printed matter.
