

tobacconist or other person is desirous of shipping or exporting in any other manner said tobacco in its staid condition, it shall be lawful for them to do so, upon paying and satisfying the charges which are paid upon tobacco which has been inspected and passed previous to shipment, and the inspectors aforesaid are required to state in the manifest they shall make out, when such tobacco shall be shipped, the condition of said tobacco, and that said tobacco did not pass inspection previous to its shipment.

CHAP. 229.

Manifest shall state

CHAPTER 229.

*An act for the benefit of Thomas W. Morgan, late sheriff of St. Mary's county.* Passed Mar. 14, 1834

*Be it enacted by the General Assembly of Maryland, That Thomas W. Morgan, late sheriff of St. Mary's county, be and he is hereby authorised to collect until the first of January, eighteen hundred and thirty-five, all public dues which were not collected by him during his term of sheriffalty, and which have not since been collected, in the same manner as he might or could have done within the time limited by law: Provided, nothing herein contained shall be construed to authorise said Thomas W. Morgan to execute the property of any person or persons against whom he may have any claim for public dues, without presenting the said claim at least thirty days before execution: And Provided, also, that if any person shall have any account in bar against any claim of the said Thomas W. Morgan, as aforesaid, and shall make oath to the justness of the same, then the said Morgan is hereby required to admit the same in bar of any claim as aforesaid.*

Authorised to complete collection
