bond to the state of Maryland, in the penal sum of four thousand dollars, with security to be approved by the court of Allegany county, for the faithful laying out to the building of said bridge of all monies that shall come into their hands for that purpose, and the Treasurer of the Western Shore is hereby directed and required to pay unto the said commissioners, or their order, one thousand dollars out of any money in the Treasury not otherwise appropriated, on receiving a certificate from the clerk of Allegany county court, certifying that the security above mentioned had been given, and it shall be the duty of said clerk to record said bond in the clerk's office of Allegany county, for which he shall receive such fee as is customary in such cases.

Sec 2. *And be it enacted,* That it shall be the duty of the said commissioners after finishing said bridge to report to the commissioners of Allegany county, a faithful account of the expenses of building the same, and in what manner the money has been laid out, who shall upon being satisfied of the fair disposition of the funds under the controul of commissioners for the purposes aforesaid, report the same to the clerk of the county, thereby releasing and exonerating the said parties from all responsibility created by the execution of said bond, and the said clerk to make record of the same.

## CHAPTER 272.

Passed Mar. 15, 1834 *An additional Supplement to an act entitled, an act to incorporate the Town of Williamsport, in Washington county, passed at December session, eighteen hundred and twenty-three, chapter one hundred and twenty-five.*

Authority as to  
streets, &c

SECTION 1. *Be it enacted by the General Assembly of Maryland,* That from and after the passage of this act, the Burgess and commissioners of Williamsport, in Washington county, shall have power, by ordinance, to keep the streets and alleys of said Town in repair, and when they or a majority of them shall deem the same necessary or expedient, to direct and provide for the levelling and graduating the streets and alleys of said Town, or any of them in whole or in part, and cause the same to be done, and also to cause bridges or culverts to be made over the water courses or hollows in said streets or alleys, and crossing
