

places of broad stone at convenient points over the said streets or alleys; and the said Burgess and Commissioners are hereby authorised and required annually hereafter to levy on all the taxable property in said town, in the same manner, and at the same time, and to be collected in the same way as other town taxes are levied and collected in said town, a sum of money not exceeding twenty-five cents on every one hundred dollars worth of taxable property in said town, to be set apart and expended from time to time, under the direction of said Burgess and Commissioners, exclusively on the objects provided for by this section; *Provided*, that nothing herein contained shall be construed to prevent the application of the usual levy or county tax for the same purposes in said town, but that the same shall be continued.

Levy directed

Proviso

*Sec. 2. And be it enacted*, That whenever a majority of the property holders on any one street, or any one square of a street in said town, shall determine to have said street or square of a street macadamised, paved, gravelled or otherwise improved, and shall certify the same in writing to the said Burgess and Commissioners, together with the proposed mode of improvement, it shall thereupon be the duty of said Burgess and Commissioners, and they are hereby required to cause the same with all convenient despatch to be macadamised, paved, gravelled or otherwise improved as demanded by said majority of property holders, together with the necessary grading that may be previously required to be done; and to pay for the same, the said Burgess and Commissioners are hereby authorised and required within sixty days after application made as aforesaid, to levy upon all the property on said street or square of a street an ad valorem tax, for such sum or sums of money as may be found sufficient to pay for the said improvement, which sum or sums thus levied shall be collected or distrained for, and paid to said Burgess and Commissioners, in the same manner as the taxes of the town are collected under the original act to which this a further supplement, and the said improvements when finished shall be kept in repair as is provided for by the first section of this act.
