

These meetings, with two exceptions, have been held at the Institution, and at each a detailed statement of its affairs has been exhibited, and an examination made into the general conduct and condition of the household. It is to be regretted that the income of the Institution has not been sufficient to pay expenses, but the generous contributions of friends has enabled us to make up the deficiency—the amount of which will be seen by the following statement:

*Statement.*

Income from patients.....	\$6,739 00
