MEMORIAL.

BALTIMORE, February 10th, 1874.

To the General Assembly of Maryland.

The Memorial of the Baltimore, Peabody Heights and Waverley Passenger Railway Company respectfully represents, that your Memorialist was duly incorporated by Act of the General Assembly of Maryland, approved April 1, 1872; and has, under and by virtue of certain ordinances of the Mayor and City Council of Baltimore, approved March 28th and June 7th, 1872, laid down and constructed a Passenger Railway in the city of Baltimore, and is now operating the same.

By the terms of said ordinances of the Mayor and City Council of Baltimore, your Memorialist was required to construct its Railway with the utmost regard to the public use of the streets; to provide iron plates for gutter-crossing; at its own expense to conform to all future changes of grades of streets, and at all times to keep the streets, along and through which its tracks may be laid, in proper repair and free from snow and other obstructions, not only between the tracks, but for two feet beyond the outsides thereof.
