

SEC. 3. *And be it enacted*, That the commissioners or a majority of them shall select some competent surveyor, who shall, under the direction of the commissioners named in the commission, proceed to survey, mark, and bound the location thereof, measuring thirty feet from the centre line of said Turnpike road, and shall cause a true and exact plat thereof as marked, bounded, and located by them, to be made out by the surveyor, with a table of courses and distances, and shall return the same with a copy of the proceedings to said court, certified under their hands or the hands of any two of them, which return shall be filed in the office of the Clerk of the Circuit Court for said county, and the Circuit Court for said county or any judge thereof, may finally ratify and confirm said proceedings upon the expiration of one month from the time of said report and survey being filed as aforesaid, unless objections thereto are filed by some person interested, within said period of one month, in which case the said Court shall proceed to hear and determine said objections, and when the proceedings of said commissioners or a majority of them, together with the plat of the surveyor; and the final order of ratification and confirmation thereof, shall be recorded at the expense of said company, and said return and plat shall thereafter be taken and deemed to be the true original location of the said Turnpike road, anything in any law to the contrary thereof notwithstanding.

To select a surveyor.

Make return

Ratify and confirm.

SEC. 4. *And be it enacted*, That each commissioner appointed under this act, shall receive three dollars for each day he shall attend in the execution of the duties required by this act, to be paid by the President and Directors of said company; *provided*, that nothing herein contained shall be so construed as to effect the right, title or claim of any person who may have built or may own any house, or part of any house or houses within the limits of said road, so long as said buildings shall be kept in habitable repair.

Compensation.

Approved, March 19th, 1874.
