Case of location where there is no school house.

Sec. 2. *And be it enacted*, That the said judges of the orphans' court, shall apportion the said donation, or sum, or sums of money, which they may receive from year to year, in the following manner, to wit: two hundred and fifty dollars, shall be located in the upper district of said county, and three hundred dollars in the middle district of said county, and two hundred and fifty dollars in the lower district of said county.

Sec 3. *And be it enacted*, That for the purpose of making a fair and proper distribution of the several sums of money appropriated to the several election districts of said county, for the upper district, that Thomas Burchenell, George Newlee, Thomas Clending, James Roe, and Abraham Jump, junior, shall be commissioners, or a majority of them, to locate such schools in said district as they may think proper, more particularly in such parts of said district, as at the present time has no school house; and for the middle district, Doctor Marcelus Keene, Giles Hicks, Thomas H. Baynard, Thomas S. Carter, and Willis Charles, or a majority of them, shall be commissioners for the purpose aforesaid; and for the lower district, Peter Willis, Tilghman Davis, Robert S Keene, Foster Willis, and Clemment Hubbard, or a majority of them, shall be commissioners for the purposes aforesaid, and the judges of the orphans court of the county aforesaid, are hereby authorised to pay over to the said commissioners, out of the apportionment in each district, upon an account being rendered, regularly drawn up and proven according to law, two dollars per day, for every day the said commissioners shall have been engaged in the services aforesaid, which said commissioners shall report to the judges of the orphans' court, the number of schools they have located in each district, on or before the first Monday of October next.

Sec. 4. *And be it enacted*, That after the said commissioners have made location of such schools in the several districts of said county as aforesaid, that the citizens in the immediate neighbourhood of said schools, shall and may select from among themselves, not less than three, nor more than seven trustees, who shall, or a majority of them, take charge of the government of said schools, and in no case the same person shall act as trustee in any more than one school in said county.

Sec. 5. *And be it enacted*, That in all cases, where the location for a school, or schools in any of said districts, should be where there is no school house, notwithstanding the citizens in the immediate neighborhood shall and may proceed to appoint or select their trustees for the good
