

## CHAP. 96.

be able to sue and be sued, implead and be impleaded, in any court of law or equity in this State or elsewhere, and to make and have a common seal, and the same to break, alter or renew at their pleasure, and also to ordain and establish such by-laws and ordinances as shall appear necessary for regulating the temporal concerns of the said Church, and for promoting religion within the same, not being repugnant to this act, nor to the laws of this State.

Authorised to receive deed, &c.

SEC. 2. *And be it enacted*, That the said trustees as a body corporate are hereby declared competent in law to receive a deed from Samuel S. Baggs, for the lot or parcel of land whereon Curtis' Chapel is situated, and its appurtenances, *Provided*, the land thus conveyed shall not exceed five acres; *and provided also*, said deed shall be duly executed and registered according to law.

## CHAPTER 96.

Passed Mar. 4, 1835

*An act for the extension of Caroline street, in the city of Baltimore.*

Extension authorised and defined

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That the Mayor and City Council of Baltimore, be and is hereby authorised to extend Caroline street in the city of Baltimore, from its present termination southerly, with its present width and according to its present lines, through the north side of Block street to Thames and Philpot streets, or either of them, or to any line northwardly or southwardly of said streets, or either of them, and to condemn as a public highway for such extension the ground in the course thereof; *Provided however*, that the Mayor and City Council of Baltimore may in the said extension, or any part thereof, authorise such variations from the present lines or direction of Caroline street, as in its judgment the public convenience or the interests and accomodation of proprietors of ground, in the direct course for such extension may require and justify.

Damages, &c.

SEC. 2. *And be it enacted*, That to effect said extension and condemnation for the ascertainment of
