CHAP. 253.

in, from which an average shall be made of the cullings in each bundle, and the number of good and cullings as per average marked on each bundle in red chalk figures, and as compensation for the same, the inspector shall receive ten cents per thousand.

Compensation

Penalty for oblit-p erating

SEC. 3. *And be it enacted,* That if any person or persons shall be convicted of obliterating or wantonly destroying such mark, or of mixing after inspection other shingles with a fraudulent intent, he, she, or they shall be fined a sum, not exceeding fifty dollars for each and every offence, to be recovered by indictment in Baltimore city court, and collected as other fines are collected in this State, one half for the use of the informer and the other for the use of the State.

Inspection of flooring plank

SEC. 4. *And be it enacted,* That all quartered boards or planks, of pitch or yellow pine, of one inch or one inch and a quarter in thickness, or all such as is manufactured for flooring shall be marked and designated, by the inspectors aforesaid, into three qualities, as follows, the first quality to be free from sap, knots, windshakes or other defects, and also to be at least one inch and a quarter in thickness, and shall be marked with its contents in board measure, the second quality to be sound boards, not having more than four knots of not more than an inch in diameter, in any one board or plank, and all sap boards that are not mildewed, shall be marked with two straight marks near the mark of quantity, to designate its quality; and all other boards, which the inspector shall determine not to be sufficiently free from defects, to pass as second quality, shall be marked as cullings.

CHAPTER 253.

An act to make valid certain surveys in Queen Ann's County.

Surveys confirmed

Be it enacted by the General Assembly of Maryland, That all surveys made in Queen Ann's county, before the first day of July eighteen hundred and thirty five, by any surveyor other than the county surveyor shall
