

Passed April 2, 1836 *An act to confirm the proceedings of the Register of Wills, for Saint Mary's County, in completing and recording certain papers left incomplete and unrecorded by Enoch J. Millard, late Register of Wills for said County, deceased.*

Preamble

WHEREAS, at the death of Enoch J. Millard, late Register of Wills for Saint Mary's county, there were accounts, vouchers and exhibits in the office of Register of Wills for said county, which appeared to have been duly sworn to by executors, administrators and guardians before him the said register, deceased, for statement, file and record, by him; also inventories and accounts of sales, duly sworn to, and wills proved, together with part of the proceedings of the court, and other papers for file and record, and that the necessary probates and proceedings had not been spread at large upon or annexed to some of the said papers or instruments of writing, and it became necessary in many instances that the probates to the same should be written out and certified, with a view to the proper settlements of estates of deceased persons, and to the regularity of the proceedings of the court and register; and whereas, by an order of the Orphans Court, the register of wills for said county was authorised and directed to complete and record all such papers and other instruments of writing left incomplete and unrecorded by the said late register, and whereas the register of wills did proceed to complete and record all such papers and other instruments of writing in the manner and form, as far as applicable as prescribed for the late register by an act, entitled, an act to authorise the Orphan's Court of Saint Mary's county to have perfected and recorded certain papers and instruments of writing, left incomplete and unrecorded by the late register of wills, for the said county, passed at December session eighteen hundred and twenty eight:—Therefore,

Proceedings of Register of Wills confirmed

SECTION 1. *Be it enacted by the General Assembly of Maryland,* That the proceedings of the register of
